Mr. Daniel J. Childs, Jr.
Staff Member
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Dan:

[redacted] and I met with you last month to discuss SIG-I procedures, we told you that a meeting on counterintelligence was to be held shortly. The meeting was postponed from March, but did take place last Friday. At the SIG-I, chaired by Mr. Casey, and attended by Judge Webster and Deputy Attorney General Schmults, among others, an outline and schedule were approved for work to begin on National Security Study Directive No. 2, "Detecting and Countering the Foreign Intelligence Threat to the United States."

25X1

The SIG-I will act as the steering group for the study which will be conducted by a Working Group composed of representatives from the SIG-I member agencies. [redacted] a retired FBI counterintelligence officer, has joined my staff on a short-term contract to be the Study Director.

25X1

The meeting went very smoothly, and I think there is a good chance that the Community can get its act together on counterintelligence.

Sincerely,

[redacted]
